

1. Tighten screws firmly but do not over tighten. Over tightening can damage the screws and greatly reduce their holding strength.
2. Ensure mounting screws are anchored in the centre of the studs. Use of an 'edge to edge' stud finder is highly recommended.

Place the A-F bolt into the spacer (I) and then attach the spacer (I) to the TV holder (M). Next, align the TV holder (M) with the TV set mounting holes and place washers (K) in between them as shown in Fig. 4. Tighten the A-F bolts to secure the TV holder (M) to the TV set.

Attach the TV holder (M) and TV set assembly to the wall board (L). Tighten the lock screw.

INSTALLATION INSTRUCTIONS

MODEL: TV-MOUNT-B-DOUB-24ST

23"-55"

400mmx400mm

50kg

75mm-340mm

! WARNING

1. Please read these instructions carefully before installing this product to avoid product damage and personal injury.
2. Please refer to the manufacturer's installation recommendations for the required distance away from wall to avoid the risk of property damage.
3. This product should only be installed by a person of good mechanical aptitude with basic building experience and can fully understand the instructions.
4. Ensure that the supporting surface will be able to safely support the combined load of the product and all other attached equipment and components.
5. Never exceed the maximum load capacity of the product.
6. If mounting to wall studs, ensure that the mounting screws are anchored in the centre of the studs. Use of an 'edge to edge' stud finder is highly recommended.
7. This product is intended for indoor use only. Use of this product outdoors could lead to product failure and personal injury.

| PART | QTY | INDEX |
|-----------------------|-----|-------|
| Bolt M5x16 | 4 | A |
| Bolt M5x30 | 4 | B |
| Bolt M6x16 | 4 | C |
| Bolt M6x30 | 4 | D |
| Bolt M8x16 | 4 | E |
| Bolt M8x30 | 4 | F |
| Lag bolt St8x50 | 4 | G |
| Concrete anchor 10x50 | 4 | H |
| Spacer with 3 holes | 4 | I |
| Ø8.5x18x1.5 Spacer | 4 | J |
| Ø8.5x18x15 Washer | 4 | K |
| Wall board | 1 | L |
| TV holder | 2 | M |

This diagram shows an exploded view of a mechanical assembly. It features a central rectangular plate with several mounting holes. To the left, there is a bracket-like component with a slot. To the right, there is a vertical strip with a series of holes, labeled 'M'. A label 'L' points to a specific bolt or screw that is shown in the process of being inserted into one of the holes on the central plate. The diagram illustrates the relative positions and assembly sequence of these components.
